FROM DAMIETTA TO THE WORLD

FRAME COLLECTION 2026

The Frame Is the Design.

Vol. VIII — the Frame Collection —
places the wood frame at the center
of the design narrative.

The accent chair's back reveals a
sculptural arch-portal in warm
walnut: two columns rising to
cradle the cushioned back,
framing the upholstery like
a painting in a gallery.

The sofa pairs with a signature
integrated wood console module
between the seating sections —
functional luxury at its finest.

Damietta wood. World stage.
