The Art of Fine Joinery.

The Atelier Collection — Vol. VII —
celebrates the craftsman's hand.

Solid walnut-finish wood frames
are the signature of this range:
angled tapered legs, integrated
armrest side tables, and exposed
wood rails that frame the cream
upholstery with precision.

Dual-material construction pairs
a soft textured seat with smooth
caramel leather arm panels —
each stitch a statement.

Refined. Intentional. Damietta.
