

VIECI

FROM DAMIETTA TO THE WORLD

LUXURY LIVING COLLECTION 2026

A New Chapter of Luxury.

Volume II of the VIECI collection marks a bold new design direction — deeper in character, richer in detail.

The signature channel-stitch silhouette evolves into a more sculptural language, paired with the iconic A-frame walnut structure that has come to define VIECI craftsmanship.

Conceived for the world's most discerning interiors — from Riyadh and Dubai to Cairo and beyond.
